Re: Docket No. 2005-385-E
Petition to Intervene

This is a Petition to Intervene in the PSC proceeding, Docket No. 2005-385-E, at which consideration will be given certain proposed Federal Standards, related to Net Metering, Fuel Sources, Fossil Fuel Generation Efficiency, Time-Based Metering and Communications and Interconnection.

My name is Ruth Thomas. I am a customer of South Carolina Electric and Gas Company. I have an interest in these standards being proposed and their possible adoption. The outcomes of determinations to be made will affect me.

As an intervenor and full party to the proceeding I will have all the same rights as other parties, such as the right to present testimony and cross-examine the witnesses of the other parties.

I am sending the original of my Petition to Intervene and one copy. The following persons are being mailed a copy of my Petition to Intervene.

Nanette Edwards, Esq.
